

*New North Road Baptist Church is a church with a heart for people in the heart of
Huddersfield.*

As people encounter Christians who are living faithfully in the light of God's love, our prayer is for them to recognise the presence of God's Spirit and to be transformed by encountering the love of God in Jesus Christ.

We believe in One God who clothed our one small blue planet with life and created human beings in his own image. The image of God in us is damaged by the reality of sin and selfishness.

Love is God's name and Love is God's way. God's intentions for this planet and all people are good. In humility and with love God was born among us in Jesus his Son, who lived his life in the light of love. He is the Way, the Truth and the Life, the definitive image of the living God. He shouldered our guilt and embraced our shame, dying that we may be forgiven, he opened the door that we may be born again into a living hope.

We believe that he is Christ in us the hope of Glory, the living one who died and was raised again at Easter. Jesus Christ gifts us the Holy Spirit as our companion that we may live in love as children of God our Father.

We seek to follow the great commands to love God with all our heart and mind, soul, and strength and to love our neighbour as ourselves. Loving our neighbour leads us to welcome the stranger and share God's passion for justice, the integrity of creation and the dignity of every human being.

We believe in the Church and welcome the opportunity to share in partnership and mission with other Christians here in Huddersfield, the United Kingdom and overseas. We offer what is distinct about our own way of being church as gift for others.

We thank God for scripture and listen for the living Word as we read and reflect on the words of the bible and actively seek to create opportunities for people to grow in the depth of their knowledge of the bible as we seek to follow Jesus.

As a body we celebrate the wonder of worship in silence and song, meeting together as brothers and sisters, sharing bread and wine as Jesus taught us, welcoming testimony's of God's grace in sorrow and joy and affirming that believers baptism as a sign of saving grace in the life of a believer.
